Dear Parents/Guardians and Staff,

Due to the evolving nature of the COVID-19 situation, we have made the very tough decision to delay in-person instruction until no later than October 8 but could be sooner depending on local data regarding Covid-19. This will allow for a safer transition for students and staff. Our number one priority will always be to protect the health and well-being of our students and staff as we prepare to bring children back to school for in-person instruction. Local government and public health officials have all shared that they are concerned about the metrics related to this pandemic.

However, we do understand that this may put a hardship on some of our families. Therefore, if you are experiencing little to no internet connectivity, severe technical issues, or hardship with proper supervision of your child due to employment, **your child will have access to on-campus instruction during this extension.** We will utilize common areas and/or some classrooms to help facilitate this instruction.

If you are experiencing any of the above hardships and would like to take advantage of this opportunity, please contact the front office at 281-398-8031 ext. 100 or email mdean@cnchs.net immediately so that we can process your request.

I truly appreciate your support and understanding as we navigate the impacts of this global crisis while also balancing the learning needs of the students we serve.

We will continue to update our website as new information becomes available.

Sincerely,

Michael Dean
Superintendent
